

Safety Improvements – West of Huntley
HSIP 56788(9)

Informal Public Meeting
May 14th, 2007
Montana Department of Transportation

What's the plan tonight?

- Discuss the project
- Get your input
- Answer your questions

Project Location

Why build a project here?

- Documented crashes at each of the intersections
- Increase Safety
- Increase functionality
- Extend the life of the facility

So, how's it going to be fixed?
